User Story 1: **As an Applicant, I want to access the Applicant Page to view all funding advertisements posted by Funding Managers.**

Acceptance Criteria:

1. When I log in as an Applicant, I should see a link or button labeled "Applicant Page" on the dashboard.

2. Clicking on the "Applicant Page" link/button should direct me to a page displaying all funding advertisements.

3. Each funding advertisement should include details such as the title, description, funding amount, and deadline.

4. I should be able to scroll through the list of funding advertisements to view all available opportunities.

5. The funding advertisements should be sorted by the most recent postings first.

6. If there are no funding advertisements available, I should see a message indicating that there are currently no opportunities available.

User Story 2: **As a Funding Manager, I want to access the Funding Manager Page to post funding advertisements.**

Acceptance Criteria:

1.When I log in as a Funding Manager, I should see a link or button labeled "Funding Manager Page" on the dashboard.

2. Clicking on the "Funding Manager Page" link/button should direct me to a page where I can post new funding advertisements.

3. The page for posting funding advertisements should include fields for the title, description, funding amount, and deadline.

4. I should be able to fill out all required fields to create a new funding advertisement.

5. After submitting the funding advertisement, I should receive a confirmation message indicating that the advertisement has been successfully posted.

6. The new funding advertisement should be immediately visible to Applicants on the Applicant Page.

7. If any required fields are left blank or contain invalid data, I should see appropriate error messages prompting me to correct the issues before submitting the advertisement.
